## Message from desk of HOD

**Ms. Mital Patel**  
Head (I/c)

Dear Readers,

It is with great pride that I share this edition of our department newsletter.

This year marks two significant milestones: the graduation of our first batch of B.E. Computer Engineering students and the passing out of the second batch of Diploma in Computer Engineering students. These achievements reflect our commitment to academic excellence and growth.

We remain dedicated to nurturing our students with the skills, knowledge, and values needed to thrive in a dynamic technological world. Through innovative teaching, industry collaboration, and active student engagement, we continue to build a vibrant learning environment.

My heartfelt thanks to our faculty, staff, students, alumni, and the university management for their constant support and contributions. Your efforts shape the success of our department and inspire us to keep moving forward.

To our graduating students — congratulations and best wishes as you step into new opportunities. May your journey ahead be filled with success and meaningful achievements.
