ALUMNI JOURNEY

NAME - VISHWAM
DEPARTMENT- CHEMICAL ENGINEERING (2021-2024)
COMPANY NAME - LANXESS INDIA.

Hello Readers,

I am delighted to share a glimpse of my journey from being a Chemical Engineering student at SRICT's 2021-2024 batch to becoming a 'Graduate Trainee' at Lanxess India.
These steps were pivotal in shaping my career, equipping me with the right skills to keep progressing.
Looking back, my time at SRICT laid a strong foundation. The amount of support, guidance and motivation given by the department, administration and Panjwani Sir himself was what made a difference for me during my time at SRICT.
The rigorous course structure be it academic, co-curricular, extra-curricular and other initiatives like PLI, 5S, etc provided the groundwork and a strong foundation for my subsequent accomplishments.
The learnings, challenges, and triumphs have sculpted my professional persona.
I extend my gratitude to all who have been a part of my journey.

Thank you all.

ALUMNI JOURNEY

NAME - MEET BHATT
DEPARTMENT- MECHANICAL ENGINEERING
COMPANY NAME - RESEARCH ASSOCIATE AT GERMAN BIOMASS RESEARCH CENTER.

Hello readers,

My name is Meetkumar Bhatt.
Currently I am working on Research topic Compressed solid fuel for burning (Briquettes)" solid flow characterization at DBFZ (German biomass research center) As(Master student/Research associate).
To get here UPL university play a very gentle role .There are some habit that was created during study days in university that help to keep going always. There are important sets skills of my field and engineering was shared by my faculty and it helps me to move forward in professional life.
One thing I will always keep in mind that I am a small part of UPL University and this university is part of my journey.

Thank you all.

ALUMNI JOURNEY

NAME - NAEEM MANSURI
DEPARTMENT- ELECTRICAL ENGINEERING
COMPANY NAME - RAYZON SOLAR PVT.LTD.

Hello readers,

It gives me immense pleasure and happiness to express my sincere gratitude for selecting me through the campus placement process at SRICT. I was thrilled and honored to have been selected as trainee engineer at Bectochem. I want to thank you for providing me with this incredible opportunity to start my career. I am excited to learn and grow with your team and contribute to the company's success.Please accept my heartfelt thanks to everyone involved in the selection process. Currently I am working as a Junior Engineer of Quality Department at Rayzon Solar Pvt Ltd.

Thank you all.

ALUMNI JOURNEY

NAME - PARTHIV PANCHAL
DEPARTMENT - COMPUTER ENGINEERING
BATCH - (2021-2024)

Hello readers,

I am Parthiv Panchal, and I completed my Diploma in Computer engineering from UPL University of Sustainable Technology in 2024. My time at UPL University has been an enriching experience, filled with opportunities for personal and professional growth. The Computer Engineering department provided a dynamic environment where both learning and collaboration were encouraged. The faculty members were not only knowledgeable but also approachable, helping us navigate our academic journey with guidance and support. Through the journey of my diploma in UPL University I was recognized for my dedication and academic achievements, which reflects the incredible support and opportunities UPL University offers its students.

The curriculum at UPL University was comprehensive, with a strong focus on the latest trends in technology such as coding, network security, software development, and IT solutions. The university also organized various industry visits, expert lectures, and workshops that gave us practical exposure and insights into the tech industry.

The university provided a nurturing ecosystem, with access to modern computer labs, a well-stocked library, hostels, sports facilities, and opportunities to engage in both extracurricular and co-curricular activities. These experiences have prepared me to take on the challenges of the tech world with confidence and skill.

Thank you all.

SPOTLIGHTS

On September 20, 2024, UPL University of Sustainable Technology proudly hosted "**ABHYUTTHAN-2024**", its prestigious **Academic Awards Ceremony**, to honor the exemplary achievements of its students. The event recognized the top performers from BE, BSc (Chemistry and Microbiology) and Post Graduate students for their outstanding results in the Summer 2024 examination.

SPOTLIGHTS

"***Empowering Communities, Enriching Lives – Together We Serve!***"

On the sixth day of camp, UPL University of Sustainable Technology organized a lecture on sickle cell awareness for students in high school and higher secondary school. A door-to-door campaign was also conducted to educate villagers about sickle cell disease. Additionally, a hemoglobin test was arranged for the students of Shree Gram Nirman Kelvani Mandal with the help of the Rotary Club of Ankleshwar, resulting in over 180 blood tests conducted.

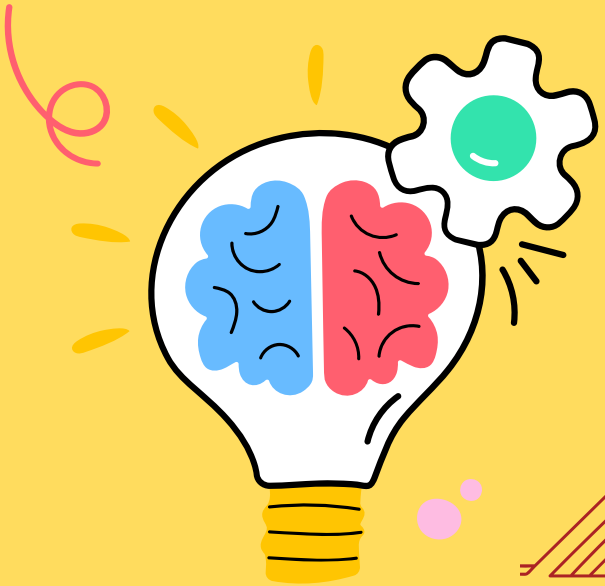

WHAT'S HAPPENING AT CAMPUS

"Mental health is not a destination, but a process….It is about how you drive, not where you are going."

The **SRICT-ISR**, UPL University of Sustainable Technology, Ankleshwar has organized a Seminar on "**Mental Health** & **Wellness of students**" In Association with District Education Office, Bharuch on 11th September 2024 for the Principals and Teachers of various schools across the Bharuch district.

The seminar is graced by the esteemed presence of **Mrs. Swatiba K. Raol**, **Hon'ble District Education Officer**, **Bharuch**, Mr. Ashok Panjwani, Hon'ble President, UPL University of Sustainable Technology, Ankleshwar and Mrs. Michelle Ganeshni, Campus Director, Shree Gattu Vidhyalaya, Ankleshwar and Inclusive Trainer of UNESCO International Forum.

WHAT'S HAPPENING AT CAMPUS

More than 125 principals and senior teachers of various schools across the Bharuch district have participated with great enthusiasm. The main deliverables of the seminar were: Importance of Mental Health & Wellness of students as per UNESCO program, helping students in selection of career based on their choice & competency and opportunities offered by UPL University in higher education & Employment. Mrs. Michelle Ganeshni, Campus Director, Shree Gattu Vidhyalay, Ankleshwar has delivered a talk on "Mental Health & Wellness of Students". Dr. Jalpa Thakkar, Head, Electrical Engineering Department has presented opportunities offered by UPL University in higher education & Employment. In this seminar, the principals and teachers of various schools of Bharuch district had a very deep and insightful interactions with the subject expert to nurture good mental health and wellness among students.

WHAT'S HAPPENING AT CAMPUS

Department of **Environmental Science** & **Technology**, UPL University of Sustainable Technology celebrated Teacher's Day with a blend of academic and festive activities on 5th Sep., 2024.

The day started with PLI sessions, where students took on the role of teachers, leading lectures in all classes and gaining valuable teaching experience. This was followed by a quiz competition, "Airathon," which tested students' knowledge on air quality and environmental sustainability. The event concluded with a small celebration honoring the faculty, where students expressed their gratitude through speeches and tokens of appreciation, making it a memorable occasion for all.

TEACHING IS A WORK OF HEART

ANNUAL EVENTS

Sci Technovation Day launched with an inspiring kick-off, featuring Mr. Nilay Bharucha, Site Head of UPL Unit 2, who graced us with his presence! This year's theme beautifully amalgamated our rich cultural heritage with sustainability.

Spotlighting a village-based focus that showcases innovative ideas and eco-friendly solutions tailored for rural communities, from sustainable farming practices to renewable energy initiatives, we're igniting change and paving the way for a greener future.

This initiative aligns perfectly with the university's commitment to sustainable development and community engagement.

ANNUAL EVENTS

"*Sci-Technovation*'24": *Where Knowledge Meets Innovation*"

UPL University of Sustainable Technology organized its Annual Level Technical Festival "**Sci-Technovation' 24**" in its premises on 26th & 27th September 2024.
The **valedictory function** of this technical festival was organized on 27th September 2024. It was graced by the presence of honourable chief guest Mr. Harendra Singh Dagur (Site Head, SRF Limited), Mr. Ashok Panjwani (President, UPL University), Mr. Bhupendra Dalwadi (CEO, BEIL Infrastructure Ltd), Provost, Prof. Shrikant J Wagh, Office bearers of the university, faculty members, staff members and students.

ANNUAL EVENTS

More than 1300 students participated in "Sci-Technovation 24" & **More than** 350 **students** were awarded **cash prizes worth** more than **Rs**.90,000 for their outstanding performance in various competitions and challenges.
This technical fest was coordinated by Department of Environmental Science & Technology.

FROM THE DESK OF EDITORS

This month we celebrated Ganesh Chaturthi in which we made grand decorations in the hostel campus. We also organized Sci-technovation'24 in which students from various colleges of Gujarat participated in technical and non-technical events.

Looking forward to stay connected
