## INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CELL (IED)

The Innovation and Entrepreneurship Development Cell (IED-Cell) of SRICT offers to provide solutions to the challenges faced by young entrepreneurs. It organizes training sessions and programs for students & faculties and motivates them towards Innovation and Startups. It aims at providing an Innovation Ecosystem where the students have paradigm shift from being a job seeker to a job creator. It provides a complete framework so that students can create develop and sustain their startups. It motivates them to take startup and entrepreneurship as a career and spread awareness regarding entrepreneurial culture. Following members will look after activities of IED cell w.e.f. 01/07/2021 for the academic year 2021-22 or until further notice.
